

About Fresh Start Caring for Kids Foundation

Fresh Start Surgical Gifts (based in San Diego, California) teamed up with The Plastic Surgery Foundation (based in Arlington Heights, Illinois) to create Fresh Start Caring For Kids Foundation in Chicago. Fresh Start Caring For Kids Foundation provides no-cost medical services to children through surgical weekends and clinics. Medical services are donated by doctors, clinicians, and other medical professionals. Each child deserves the best medical care possible.

Surgeons affiliated with Fresh Start Caring For Kids Foundation are highly-trained specialists who are board certified in plastic surgery and members of the American Society of Plastic Surgeons. The surgeons and other medical professionals who participate in the surgical weekends volunteer their time and are not compensated, nor does the partner hospital receive any reimbursement other than for the cost of disposables utilized in providing patient care. Surgeries are performed at the University of Chicago Medicine's Comer Children's Hospital, Rady Children's Hospital, and the Fresh Start Clinic in San Diego.

In Fresh Start's 20+ -year history, more than 6,500 patients have received more than 15,000 no-cost medical treatments valued at more than \$26 million.

Confirmed celebrity golfers include (but will not be limited to) the following:
